- Standard Key Lock

MEDSTOR MAX

MSPM84-00TK

QUAD COLUMN STORAGE CABINET

Features:

- Unmatched quality of construction — built to last using professional grade design and manufacturing for medical-grade applications
- Roll-up tambour door with key lock allows access to supplies during clinical hours
- Stacks flush with walls or other cabinets — we don't use easily misplaced removable handles or bulky exterior hardware
- Features a true 24" interior cabinet depth able to store boxes two feet deep
- Customize your cabinet with any combination of trays, baskets, shelves or accessories/packages
- Interior side panels allow 47 insertion points within each column creating a system of multiple organization possibilities
- Modular trays can be pulled out at an angle, and "clip-on" locking safety features help minimize the risk of falling trays
- Industry best 5" quiet rolling casters for superior mobility - one steering and one braking caster
- Cabinet is delivered fully assembled

Shown in Hammertone Blue. Also available in more than 20 color options or Stainless Steel.

For mobile or fixed storage, our versatile medical storage solutions provide high density and secure storage for valuable medical supplies used in surgical procedures. These medical cabinets are designed around the most innovative modular tray system on the market and feature your choice of door style for security and ease of access.
